For: NOVEL HUMAN CALCIUM
CHANNELS AND RELATED PROBES,
CELL LINES AND METHODS

Examiner: Basi, N.

Group Art Unit: 1646

REQUEST FOR CORRECTION OF DRAWINGS

Box Sequence
Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Enclosed are (2) substitute sheets of drawings for Figures 1A and 1B in connection with the above-identified application. In addition, please find enclosed a set of drawings showing the proposed changes in red.

The Figures are amended to include sequence identification numbers which were omitted at the time of filing.

Applicants respectfully request the entry of these amendments.

In the unlikely event that the transmittal letter is separated from this request and the U.S. Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing to our **Deposit Account No. 03-1952**. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: April 6, 2001
